The Gathering of the Lambs

“The Lambs of Christ,” are, with all that our name implies: non-violent, sacrificial, humble, and gentle. We try to stop the violent mass murders of Jesus Christ’s

newly-created, helpless children at the local killing center – euphemistically called: “planned parenthood” or Leroy Carhart’s “women’s center” – nice-sounding words to cover up the evil. They plan our parenthood by killing our children!! But in reality, this killing center is “the Auschwitz of Omaha,” owned and operated by an agent of evil – Leroy Carhart – “a circuit killer” who is “Satan’s hit-man.”

As this is being written for you and for your understanding of the evil which now surrounds you, it is well for you to know that the two agents of evil who are most widely known for their satanic brutality of little children – Leroy Carhart of Omaha, Nebraska, and “Killer Tiller” of Wichita, Kansas – are now being investigated by the governor of Kansas and by the Kansas Attorney General’s office for the killing of two women on the abortion table. Carhart, from “the Auschwitz of Omaha,” was in Wichita while the killing was going on when the death of the second lady occurred on the abortion table. These two “agents of evil” are most assuredly wealthy, and their political supporters are well-paid. Abortion is a multi-billion dollar child-killing industry. These “agents of evil,” feeling secure in their governmental protection, are now “doing business as usual.”

The young moms carrying tiny little people in their tummies are lied to by the planned parenthood “death squads” prior to their abortion. They are told that what is in their womb is just “a blob of tissue,” a “product of conception,” a “disease” or even a “parasite” – but not a baby!! It’s not difficult to kill a clinical term, but it **is** difficult to kill a “baby.”

Then there are the young moms who are seeking contraceptives – they are given pills which are not contraceptives but are abortifacients which kill a

child that has already been conceived by poisoning the uterine wall so that God’s newly-conceived child cannot survive. It is starved to death by lack of nourishment.

Planned parenthood claims, at times, that it only “refers” women for abortion and does not actually perform surgical abortions or provide abortifacients. But, in reality, the death process begins when the young child is sentenced to death at the “Auschwitz referral center.”

But the good news is that “WE PRO-LIFERS ARE WINNING IN THE STREETS!! WE HAVE READ THE LAST CHAPTER – IT SAYS: “WE WIN!!”

GOD IS WITH US!! People are helping us – **Thank You!! Thank You!! Thank You!!** This is a Community effort to stop the Auschwitz Holocaust which has killed 1/3 of us while we were still helpless in our mothers’ wombs – over 43 million of us since Roe v Wade in 1973.

We, “The Lambs of Christ” are in need of prayer – and your help – and your physical presence at the “Auschwitz of Omaha,” located on Mission Blvd. across from Saint Mary’s School in Bellevue, Nebraska. We gather at 7:30 a.m. on Sat. to say four rosaries and offer up our “Sacrificial Prayer” to Jesus Christ, through Mary, Our Mother – whom Jesus has chosen to lead the counter-attack against Satan!! (See Genesis 3:15 in the original translations which tell us that: “...**SHE**... will crush the head of the serpent – and he will lie in wait at ...**HER**... heel.”) We offer ourselves and our “Sacrificial Prayer” to Jesus Christ so that He can then bring us and our “Sacrificial Prayer” into union with Himself in The Way of Divine Love to satisfy God the Father’s Divine justice, so as to stop the evil of Satan’s brutal murder of God’s children.

The attempt by us, with our weak, human nature, cannot stop the evil of abortion – but God can – and will – if we but abandon ourselves in “Sacrificial Love” to Jesus, through Mary, Our Mother. How, then, can we possibly lose?

One of the facets of The Lambs of Christ movement is to provide "Save Havens" – "Refuges" for pregnant moms who have no place to go – no husband, no money, no place to lay their head, carrying God's baby in their womb. **And we have good news – we anticipate that a new mother will move in soon!** "Sarah" (not her real name), age 21, is 6 months along and needs a quiet place to focus on her future and her child. This new mom will increase the number of young mothers – who have been helped by the Mary Weslin Homes – to 301, and if she stays through her delivery, the number of babies born through the Mary Weslin Homes will increase to 224. We provide food, shelter, a family environment, doctors' and hospital care and counseling. We are, of course, non-violent and non-confrontational.

The Mary Weslin Homes are the "laid-back" element of "The Lambs of Christ" movement. We do not fund-raise. We depend on "Divine Providence" as did Mother Theresa. I worked for her in the Bronx and she taught me how to depend on Divine Providence. Mother Mary never lets us down – she touches someone's heart at the right moment and so our pressing need is taken care of.

The number of residents has dropped dramatically in the past few years, **but we are encouraged with a new mother moving in!** Our Homes have often been empty in comparison to yester-year when we would have ten to fifteen Moms sitting at our dining room table. But there is cause for rejoicing!! The Supreme Court is filling up with Died-In-The-Wool, pro-life Jurists. Planned parenthood is now very likely planning for "planned barrenhood." It seems very, very likely now that the baby in the womb will very soon be defined as "a Person!!" and therefore will also enjoy the dignity and protection of a Child of God in our constitution of our beloved country. But this also sends us the message that teen-age passion, being what it is, and their current reluctance to "abstain" will place a heavy demand on our country's "Safe Havens." We'll need homes for God's Moms and their yet-to-be-born babies. They will no longer be able to walk down to the killing center to have their babies killed as a "solution" to their problem. The need for available homes will very likely mushroom.

"The Lambs of Christ" is an "umbrella" over several pro-life efforts to stop satan from killing Jesus

Christ's babies while they are still helpless in their mothers' wombs. Civil Disobedience is one of those efforts. That's what Jesus Christ did!! He was classed as "a Felon." They convicted Him, dragged Him out of town and killed Him. Mahatma Ghandi did civil disobedience – and he won!! Martin Luther King did it – and he won!! They all won!! Jesus Christ won!! He won big!! You and I personally need to: "Be glad and rejoice!!" Jesus paid our ransom by civil disobedience!! Our Constitution protects us in that area. That's how we protect ourselves from tyrants taking over our government – like the ACLU. I just got out of jail a week or so ago. Unless they assign an Orthodox Roman Catholic Judge to my case, they'll be sending me back in soon. The food is good!! – especially in Federal prison. Please pray for me!

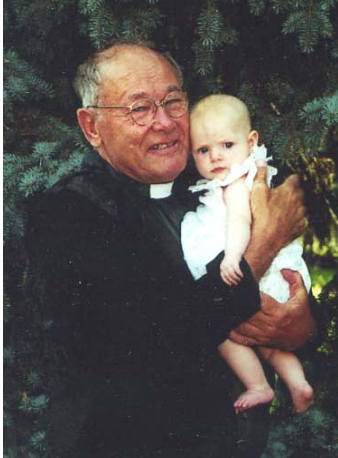

You want to help? Call us!! Pray with us!! Help us!! We need you!! We need your ideas – your lived experiences – your Roman Catholic Spirituality. We need big crowds (big ones!!) for processions to the killing center to say the four rosaries!! No risk of arrest!! Promise!! (If you don't want to, that is!!)

"God Bless You all!!" I love you all in "The Way of Divine Love." To Jesus, through Mary, our Twelve-Star General.

Many years ago, Mary Lou Weslin and her husband Norman became involved in Pro-Life work. Unfortunately, the Lord took her in a tragic car accident in 1980, and her family decided to fulfill her dream of opening up Homes for Pregnant Mothers, in her honor, all over the country. After Mary Lou's death, Norman decided to become a missionary priest, devoting his life to God and the unborn.

The Mary Weslin Homes for Pregnant Mothers assists women in crisis during and after their pregnancy.

We provide a safe haven that cares for each mother's basic needs, such as food, shelter, counseling, spiritual guidance, friendship, and doctors' and hospital care. We are not a government or church sponsored institution, but a non-profit ministry. We are an average, private, Catholic home with a Christian family atmosphere. During their stay we assess each woman's individual goals and future needs. Through our love and support, we can place the young mother back into a competitive society after her baby is born.

Our American society has now sadly become a "Culture of Death" – which provides women in crisis pregnancies with very few options other than to take the lives of their own babies. ***Abortion has become a permanent solution to a passing hardship.*** We are here to help these women realize that there is a better way – by living in the "Culture of Life."

A Pro-Life Poem - Mommy Keep Me Safe

Mommy keep me safe,
Mommy keep me warm,
handle me with all your love,
Mommy keep me from harm.
I'm only six weeks old today,
this birthday gift to me,
a pair of bright blue eyes,
that someday you will see.
I've barely got ears,
a little puppy nose,
and at the end of my feet,
little things called toes.
Looking forward to my life,
toys, teddy bears, snails,

and long fairy tales.
Where are we going mommy,
in a bath, on a bus ride or,
perhaps far away.
Where are we going being pushed at
all force.
How funny it feels passing through
doors, people dressed in green,
if they hurt you mommy just scream.
What's happening mommy,
I'm starting to cry,
Mommy come quickly,
they're making me die,
killing me quickly,

pulling me apart,
everything inside of me
even my heart.
Bye mommy, good-bye.
But how I wanted to see
the grass, the trees,
hear a sweet song,
feel a sweet breeze.
Bye mommy good-bye.
I love You I really do,
I just wish you could love me too.
